Hi girls, I'm back, yeah  
Love, so good, so good, and I want you to know  
Love, so good, so good, there ain't no lettin' go  
Breakin' down your sugar walls, taste so sweet,  
resistance falls  
Ooh, so good, so fine, so right  
Chorus:  
Breakin' down ya door, beggin' you for more, dirty  
lovin', dirty lovin'  
No I don't want it clean, just low down and mean, dirty  
lovin', dirty lovin'  
You been around, know the score, never met no one  
like me before  
Girl, take my hand, lead me to the promised land  
Hot, burnin' down, only you can turn this thing around  
So good, so fine, so right  
(chorus)  
You're so dirty, dirty mama, I know what you want, baby  
what your body needs  
You don't need no doctor, dirty lovin's what you need  
You can get it from me, baby  
(Solo)  
Ooh, so good, so good, so fine  
So good, so good, so good, so fine  
Ooh ooh, ooh ooh, dirty lovin', ooh ooh, ooh ooh, dirty  
lovin'  
Ooh ooh, ooh ooh, dirty lovin'  
I know what you want, baby what your body needs  
Baby give it up, baby give it up to me  
Breakin' down ya door, beggin' for more, dirty lovin'  
This ain't no trick or treat, baby suck it and see, dirty  
lovin', dirty lovin'  
Don't want nothin' obscene, if you know what I mean,  
dirty lovin' dirty lovin'  
Baby, ooh ooh, ooh ooh, dirty lovin'  
Ooh ooh, ooh ooh, dirty lovin', dirty dirty love  
Ooh ooh, ooh ooh, dirty lovin'...
