Got my nose to the wheel, but I don't steal, I'm a good boy
Gonna work till I drop, I'll never stop, I'm a good boy
Oh I'm not looking for a good time girl
Oh I'm not looking for a good, looking for a good time girl
Thru my baby's eyes, I'm the king of lies
Tried to tell her I'm not that kind of guy
Every time she looks at me, all my baby sees is the king of lies
The king of lies
Honey like it or not, I've changed a lot, I'm a bad boy
Got a license to tease, I wanna please, I'm a bad boy
Oh I'm looking for a good time girl
Oh I'm looking for a good, looking for a good time girl
Thru my baby's eyes, I'm the king of lies
Tried to tell her I'm not that kind of guy
Every time she looks at me, all my baby sees
Thru my baby's eyes, I'm the king of lies - king of lies
(Solo)
Oh I'm looking for a good, looking for a good time girl
Thru my baby's eyes, I'm the king of lies
Tried to tell her I'm not that kind of guy
Thru my baby's eyes, I'm the king of lies
Tried to tell her I'm not that kind of guy
Every time she looks at me, all my baby sees is the king of lies
King of lies
Thru my baby's eyes I'm the king of lies
Thru my baby's eyes, the king of lies, the king of lies
Thru my baby's eyes, king of lies... (to fade)
