Growin' up  
You don't see the writin' on the wall  
Passin' by  
Movin' straight ahead you knew it all  
But maybe sometime if you feel the pain  
You'll find you're all alone  
Everything has changed

Play the game  
You know you can't quit until it's won  
Soldier on  
Only you can do what must be done  
You know in some way  
You're a lot like me  
You're just a prisoner  
And you're tryin' to break free

CHORUS:

I can see a new horizon  
Underneath the blazin' sky  
I'll be where the eagle's  
Flyin' higher and higher  
Gonna be your man in motion  
All I need is a pair of wheels  
Take me where my future's lyin'  
St. Elmo's Fire

Oooh...

Burnin' up  
Don't know just how far that I can go  
(Just how far I go)  
Soon be home  
Only just a few miles down the road  
I can make it  
I know I can  
You broke the boy in me  
But you won't break the man

(CHORUS)

I can climb the highest mountain  
Cross the wildest sea  
I can feel St. Elmo's Fire burnin' in me  
Burnin' in me

Just once in his life  
A man has his time  
And my time is now  
And I'm comin' alive

I can hear the music playin'  
I can see the banners fly  
Feel like you're back again  
And hope ridin' high  
Gonna be your man in motion  
All I need is a pair of wheels  
Take me where my future's lyin'  
St. Elmo's Fire

(CHORUS)

I can climb the highest mountain  
Cross the wildest sea  
I can feel St. Elmo's Fire burnin' in me

Burnin'  
Burnin' in me  
I can feel it burnin'  
Ooh, burnin' inside
