I hate the music - the people say I sing my song so well  
I just can't sing it without you, ooh-oo-hoo-hoo  
I hate the music - 'cause every time I hear that band go 'B'  
It just reminds me of the - way we lived together  
The way we used to be, the day that life was better  
Back in the days you were with me-ee

Now on the day that I met you, the day you happened alo-ong  
Remember me up there on stage, singin' it wrong  
I saw you lookin' toward me, and right away I could tell  
Made up my mind to go all out, and started singin' it we-ell  
You could tell

I hate the music - the people say I sing my song in tune  
I just can't sing it without you, ooh-oo-hoo-hoo  
I hate the music - 'cause everytime I hear that band go 'B'  
It just reminds of the - way we lived together  
The way we used to be, the day when life was better  
Back in the days you were with me-ee

Now music brought us together, and music tore us apart  
And day and night the song goes on, breakin' my heart  
Ooh, On the radio in the mornin' and on the T'v ev'ry night  
I tell you girl it's so damned hard  
To get to sleep at ni-ight - Every night

I hate the music, I hate the music...

I hate the music - the people say I sing my songs okay  
(Hey-hey-hey-hey-hey-hey-hey - yeah)  
I just can't sing it without you, ooh you know that it's true-ue  
I hate the music - 'cause every time I hear that same old tune, can't sing it  
I just can't sing it without you, ooh you know that it's true-ue  
I hate the music - and everytime I hear that band go 'B', yeah  
(Hey-hey-hey-hey-hey-hey-hey - yeah)

I just can't sing it without you, oh you know that it's true-ue  
I hate the music Hey-hey-hey
