Hit it, Hal

Early in the mornin, she hitched a ride down to  
Louisville  
Holdin onto a hundred dollar bill  
Dressed herself like a Cajun Queen in New Orleans,  
baby  
Yeah, she looked good, like a lady

Do it to me, James

And the Mississippi River runs like molasses in the  
summertime  
And me, you know, I don't hardly mind

Sippin on a beer in Bourbon Street and I'm sittin easy  
Don't get me wrong, it takes a lot to please me

Have a seat an take a load off your feet, and she said  
Yes  
So I said, I like your dress  
Swamps all around make ya feel kinda funny, don't  
they, honey  
She crossed her legs and looked at me funny

Down on the bayou, why, you never know just what  
you're doin  
Down on the bayou, why, you never know just what  
you're doin  
Down on the bayou, why, you never know just what  
you're doin  
Down on the bayou, why, you never know just what  
you're doin
