Your sweet expression  
The smile you gave me  
The way you looked when we met

It's easy to remember  
So hard to forget

I hear you whisper  
I always love you  
I know it's over and yet

It's easy to remember  
But, oh, so hard to forget

So I must dream  
To have your hand caress me  
Fingers press me tight

I'd rather dream  
Than have that lonely feeling  
Stealing through the night

Each little moment  
Is clear before me  
And though it brings me regret

It's easy to remember  
But so hard to forget

So I must dream  
To have your hand caress me  
Fingers press me tight

I'd rather dream  
Than have that lonely old feeling  
Stealing through the night

Each little moment  
Is clear before me  
And though it brings me regret

It's easy to remember

And so hard to forget
