You say you're here to keep the peace  
But look at how you're protecting  
By instilling fear and intimidation  
By using violence and condemnation

How are we free, pigs rule the streets?  
Guns and ammunition, abusing their authority  
Given no other choice but to go with the flow  
Fuck brutality, fuck 5-0

[Incomprehensible] and throw them in jail  
Know not to speak out or to entail  
Truth, no one will ever know  
Fuck brutality, fuck 5-0

As the crime rate increases so do weapons  
Put us back into segregation  
Try to find the actual root of the problem  
Disarm your guns, let's all try to solve them

How are we free, pigs rule the streets?  
Guns and ammunition, abusing their authority  
Given no other choice but to go with the flow  
Fuck brutality, fuck 5-0

[Incomprehensible] throw them in jail  
Know not to speak out or to entail  
Truth, no one will ever know  
Fuck brutality, fuck 5-0

Fuck 5-0

Peace cannot kept by force  
It only be achieved through understanding  
Peace cannot kept by force  
It only be achieved through understanding
