Feelings are strange  
Especially when they come true  
And I had a feeling  
You'd be leaving soon  
So I tried to rearrange  
All my emotions  
But it seems the same  
No matter what I do.

Chorus:

Blue umbrella  
Rest upon my shoulder  
Hide the pain  
While the rain  
Makes up my mind  
Well, my feet are wet  
From thinking this thing over  
[Blue Umbrella lyrics on ]And it's been so long  
Since I felt the warm sunshine  
Just give me one good reason  
And I promise I won't ask you any more  
Just give me one extra season  
So I can figure out the other four.

Day time  
Makes me wonder why you left me  
Night time  
Makes me wonder what I said  
Next time  
Are the words I'd like to plan on  
But, last time  
Was the only thing you said.

Chorus:
