I don't care if the sun don't shine  
But it better or people will wonder  
No matter if it never quits rainin'  
Except the kids are afraid of the thunder

Say sour grapes  
You can laugh and stare  
Say sour grapes  
But I don't care

I couldn't care less if I didn't have a friend  
Except people would say I was crazy  
I wouldn't work 'cause I don't need money  
Except the same folks would say I was lazy

Say sour grapes  
You can laugh and stare  
Say sour grapes  
But I don't care

I couldn't care less if she never come back  
I was gonna leave her anyway  
And all the good times that we shared  
Don't mean a thing today

Say sour grapes  
You can laugh and stare  
Say sour grapes  
But I don't care
