Parachute  
On your back all right  
Fell too fast  
Pull the line  
Ripcord saves you one last time

No one takes you seriously  
Just watch your mouth move when you speak  
Your latest fake emergency  
We sent out our last rescue team  
Alright

Too close to call  
Racing on the ass  
When it got them  
You dug right in  
Pulled you out  
They warned you twice

No one takes you seriously  
Just watch your mouth move when you speak  
Your latest fake emergency  
We sent out our last rescue team  
Alright
