Jenny with the long dark hair in the summer time
Jenny with the long dark hair by the swimming pool
Summer time, she was a friend of mine

Jenny with the long dark hair in the summer time
Trailing out behind her in shape shifting swirling lines
Swimming pool, in the summer time

I don't believe it's been so long
Would you come in close?
Would you stare like a star?
Could you pierce through the dark?

Jenny with the long dark hair in the summer time
Jenny with the long dark hair in the swimming pool
Father's house, in the summer time

Remember when we use to kiss and touch a lot?
Remember when we use to touch and kiss a lot?
Swimming pool, in the summer time

I don't believe it's been so long
Would you come in close?
Would you stare like a star?
Could you pierce through the dark?

Jenny with the long dark hair in the summer time
Remember how we let each other
Spent inside your father's house, in the summer time

Jenny with the long dark hair in the summer time
Jenny with the long dark hair by the swimming pool
Summer time, she was a friend of mine

I don't believe it's been so long
Would you come in close?
Would you stare like a star?
Could you pierce through the dark?
