Think I'm starting to show
Get somewhere and find
And it's more than you know
Everyone here is fine
Comfort called a disease
Friends are standing in line
Prescriptions filled here for a fee

And it's smiling scissors
And sunshine shivers for
Miracle the stalk is severed
Riddled words make stupid seem clever
I wish I knew what was wrong with me
It can't be cured by milk and honey

You know I've got it so good
You pound it into my head
In case I misunderstood
But all your horses are dead
And your feet just refuse
Bandaged best as you could
Wrapped up in yesterday's news

And it's smiling scissors
And sunshine shivers for
Miracle the stalk is severed
Riddled words make stupid seem clever
I wish I knew what was wrong with me
It can't be cured by milk and honey

You're always proving I'm right
You're so predictable
And it's strange how the night
Can make you feel invincible
Well now you're talking shit to the local police
You want nothing more than to decorate the ground
with your teeth

Miracle your stalk is severed
Pretty words make stupid seem clever
I wish I knew what was wrong with me
It can't be cured by milk and
