It was the saddest cab ride I've ever been on  
I watched her out the window fade to nothing at all  
She kinda disappeared like the evening at dawn  
I almost asked the driver "turn it back around?"

But I took the ride  
Cause we've been here before tonight  
We can't go back again, no  
I guess I'll see you around

Well, I still love you like I loved you when I met you back then  
But a lotta things change and we're two of them  
Now I'm nobody's baby and I guess that's fine  
Stranded out here on Solitude and Vine

I took the ride  
Cause we've been here before tonight  
We can't go back again, no  
I guess I'll see you around

Yeah, I'll see you around  
I guess I'll see you around

I'm gonna take the ride  
Cause we've been here before tonight  
We can't go back again, no  
I guess I'll see you around

Yeah, I'll see you around  
I guess I'll see you around  
Yeah, I'll see you around  
I guess I'll see you around  
I guess I'll see you around
