Hey, Johnny, Hey, Johnny,  
What a good day, Johnny  
That's what I tell myself  
I'm put together pretty well  
Starting off on a positive note, buddy  
So we can reach the end with high hopes  
Hey, Johnny, Hey, Johnny,  
What a good day, Johnny  
That's what I tell myself  
It comes together pretty well

Walked into the room  
don't know who you are  
Feel it out when emotions are flawed

I got my mind made up, so seal the deal  
I'm confident  
I got my mind made up, that's how i feel  
I
