There's a little girl and she's in for the fight of her life.  
Only six years old, facing down the future, no fear in  
her eyes.

Well mama and daddy were praying down on their  
knees.

For a miracle in memphis, stork won't you help them  
please?

For the kids, we'd trade all our tomorrows  
And for the kids we'd give our heart and souls.  
Cause they're the heros of our lives, fighting to survive  
So give all you can give, for the kids

There's a little boy and he's sitting in his daddy's lap.  
He smiles and laughs and covers his head in a St.Judes  
ballcap

It's been a long battle, but he's gonna beat the odds.  
He's gonna make it out of there cause people care, and  
by the grace of god...

For the kids we'd trade all our tomorrows.  
And for the kids we'd give our heart and souls.  
Cause they're the heros of our lives, fighting to survive  
So give all you can give, For the kids.

Cause they're the heros of our lives, fighting to survive,  
so give all you can give.

You gotta give all you can give, for the kids.

Yeah for the kids.

Yeah for the kids.
