Stars look like diamonds
Black velvet sky
Everything is perfect
In my world tonight
Lyn' here breathless
Chill on my skin
And all I wanna do, girl
Is love you again

Baby, you take me so high
I feel like I've got wings
Oh, and I know
For the rest of my life
Baby, I'll always be
Forever loving you

There's nothing so beautiful
There's nothing more real
There's nothin' any better
Than the way you make me feel
Every day we're together
Is better than the day before
Each moment that passes
I want you even more

Baby, you take me so high
I feel like I've got wings
Oh, and I know
For the rest of my life
Baby, I'll always be
Forever loving you
Oh, forever loving you

Baby, you take me so high
I feel like I've got wings
Oh, and I know
For the rest of my life
Baby, I'll always be
Forever loving you

Mmm, forever loving you
