Sometimes when I sleep
I can see you walkin' back to me
And sometimes I wake up
'Cause I swear I felt your touch
Then emotions overcome me
And the darkness is so cold

I light a candle
Watch it burn
I feel the angels come and
Fill this room
When you're gone
I miss you so much
I do the only thing I can do
I pray for you
I pray for you

Every minute of the day
I can clearly see your face
And every minute we're apart
Oh you know it juts breaks my heart
I'm so lonely
But I'm okay
'Cause I know we'll be together again

I light a candle
Watch it burn
I feel the angels come and
Fill this room
When you're gone
I miss you so much
I do the only thing I can do
I pray for you
I pray for you

Oh, I pray for you

Ohhh I light a candle
Watch it burn
I feel the angels come and
Fill this room

When you're gone
I miss you so much
I do the only thing I can do
I pray for you
I pray for you

Oh, I pray for you
Please hold her
And protect her
Till she's back here in my arms again
Oh tell her
How I love her
And I'll be waiting right here forever
Amen
