One of these days their gonna lay me down in the cold  
hard ground where the sun never shines and I've got to  
say that I just  
Can't wait till I see those gates and Heaven is mine

#### CHOURS

Cause I'll go walkin' on the streets of gold and I'll go  
talkin' with the saints of old yeah I'll go walkin' up to the  
Master's throne in the New Jerusalem

I'll see King David with his shoes kicked off just  
dancin' along with the angel band  
I'll see Saint Peter, James, and John  
They'll say come son and take our hand  
And let's go...

#### REPEAT CHOURS

I'll see my mama and my sister too they'll say how do  
ya do what took you so long  
Come over here and let us kiss your face you gotta see  
this place brother hang on and lets go...
