Let your yes be yeah
And your no be nah

We're on fire
On fire burning bridges
We don't have plans on
Crossing back again
Come on and spell it out
Put the words in our mouth
If it is what it is easy listening
Come and
Be quick in few words or less
Sound-bite me don't take that out of context
Speak loud
Make sure your heard
Attention-getters rule the world

Let your yes be yeah
And your no be nah

Ladies...
Nah nah, nah nah nah nah

Take this line off the song
Put it on a bumper sticker
Billboard blanket statement guilty by association
Black and white gave grey an ultimatum

Conversation interrupted
Open to interpretation
End of discussion
Hold on to the stereotype then bring it back
When it's time to say I told you so look how they act
Come on play it cool dance around act a fool
Try and build a case off the exception to the rule

Let your yes be yeah
And your no be nah

We're on fire
Spell it out
Be quick

Speak loud

Let your yes be yeah
And your no be nah

Nah nah, nah nah nah nah

Let your yes be yeah
And your no be nah
