bold, bright in the lights/flashes by caught your  
eye/saved you a spot in line/anxiously waiting  
outside/oh, man, that's my jam/two-dollar cover get  
your hand stamped/through the door hit the  
floor/dance, dance, party/radio, radio/makes you  
lonely/broken records spinning/looking for a new  
routine/get in where you fit in/20-somethings  
magazine/drift away on dreams for few/cut your teeth  
on  
the moon/you're coming down soon/hi, full of  
surprise/like i just left watkins memorial high/spare  
change, enough to survive/on a full-time gig, loving  
life/when that gets old, we'll soon follow/still stuck  
inside the club/toy guns in strip mall pubs/wishing we  
were more adventurous/big city baby thirty is  
twenty/move to the beat like you're in a hurry/mid-life  
crisis happens early/everything that you want to  
know/a little rebellion's better than settling/sex, drugs  
and self-control/act like you belong/people to  
meet places to go/all together harmonious  
arrangement/everybody gets lost in the mix/navigating  
through the crowd/looking for an audience/
