Baby, I can tell there's somethin' that you're wantin' to say  
And I'm so afraid of where this is goin'  
I know life ain't easy when you're livin' with a man like me  
It's just got to be some kind of heartache

I don't wanna lose your love, I don't wanna hear you say goodbye  
I don't wanna let you go, don't wanna be alone with tears in my eyes  
Got to be an answer, baby, somethin' I can say to change your mind  
I don't wanna lose your love, I don't wanna lose your love tonight

I've got no right to ask you for another chance  
But please understand, I'm nothin' without you  
Life just wouldn't mean anythin' to me  
If you ever leave, you'd leave me dyin'

I don't wanna lose your love, I don't wanna hear you say goodbye

I don't wanna let you go, don't wanna be alone with tears in my eyes  
Got to be an answer, baby, somethin' I can say to change your mind  
I don't wanna lose your love, I don't wanna lose your love tonight

I won't let this die, I'll stand up and fight for our love  
I won't let go, baby you know I still believe in us

I don't wanna lose your love, I don't wanna hear you say goodbye  
I don't wanna let you go, don't wanna be alone with tears in my eyes  
Got to be an answer, baby, so that I can say to change your mind  
I don't wanna lose your love, I don't wanna lose your love tonight

Tonight, I don't want to lose you love, I don't want to  
lose your love  
I don't want to lose your love, tonight
