What do you do when you're scared inside?
When all of your feelings just seem to collide
Emotions just seem to let go
All of your tears always follow
All of these things that you're feeling deep down
And you realize that you're calling out loud
I love Thee
Rescue me
Shine your light
Lead me home
Lord, all I need is your love
I love Thee
Rescue me
Shine your light
Lead me home
Lord, all I need is your love
Rescue me
What do you do when the path leads nowhere?
When you need someone to be there
Now you're afraid of what's gonna come
And now there's nowhere to run
All of these things that you're feeling deep down

Then you realize that you're calling out loud
I love Thee
Rescue me
Shine your light
Lead me home
Lord, all I need is your love
I love Thee
Rescue me
Shine your light
Lead me home
Lord, all I need is your love
Rescue me
Oh it's love's sweet salvation
With Christ the Blessed Lamb
We can get through anything as long as it's you and
me
I love Thee Rescue me
Shine your light lead me home
Lord, all I need is your love

I love Thee Rescue me
Shine your light lead me home
Lord, all I need is your love
Rescue me
