All you girls, readin' them rag magazines
Tryin' to figure out the male species
How to bring a boy down to his knees

Hey now girls, don't be believin' everythin' you read
It ain't as hard as they're makin' it seem
'Cause it don't matter if you're skinny or got meat on
your bones
If you want to turn a country boy on

You got to jump up in his four wheel drive
Put them Wrangler jeans on and cut them off thigh high
Crank the Hank, find a football game and chug a beer
ice cold
If you want to turn a country boy on

I don't know what's turnin' them city boys' heads
Probably high heels, short skirts and fishin' nets
All the ladies if you want to snag a down home man
I'll tell just how you can
You got to jump up in his four wheel drive
Put them Wrangler jeans on and cut them off thigh high
Crank the Hank, find a football game and chug a beer
ice cold
If you want to turn a country boy on

First you got to jump up in his four wheel drive
Put them Wrangler jeans on and cut them off thigh high
Crank the Hank, find a football game, chug a beer ice
cold

Hey, you got to jump up in his four wheel drive
Put them Wrangler jeans on and cut them off thigh high
Crank the Hank, find a football game and chug a beer
ice cold
Hey, if you want to turn a country boy on
Turn a country boy on, turn a country boy on

You got to jump in his four wheel drive
You know what to do next
Put them Wrangler jeans on and cut them off thigh high
