Cheryl Moana Marie
Back home she's waiting for me
Cheryl Moana Marie
There on the shore she waits so patiently

In the sleepy little town
Where soft breezes blow
There's a lovely little Maori miss
I used to know
Someday I will find my way
And I'll return from the over the sea
To where my island sweetheart
Waits for me

Cheryl Moana Marie
Back home she's waiting for me
Cheryl Moana Marie
There on the shore she waits so patiently

Cheryl Moana Marie
Some day I'll wade in your land
Safe in my arms she will be
My Cheryl Moana Marie

Cheryl Moana Marie
Some day I'll wade in your land
Safe in my arms she will be
My Cheryl Moana Marie
