Sitting on the front porch sipping on a beer
Wonder where I'm gonna be come this time next year
So I put in a tape to drown away my fear
Let it take away the problems ringing in my ears

As the music starts to play
I feel myself begin to drift away
Thinking back on days gone by
It's funny how the time seems to fly away

I'm in no hurry gonna take my time to figure out what's
on my mind
I've got my worries I've got my doubts, I don't know
what life is all about...but that's o.k.

Tonka trucks and kick the can
King of the hill and who's the man
Remembering the games we played
It all seems like yesterday to me

Innocence is all but gone
The time has come now for me to move on
Holding on to yesterday
It'll only waste your time away

I'm in no hurry gonna take my time to figure out what's
on my mind
I've got my worries I've got my doubts, I don't know
what life is all about...but that's o.k.

And you see its my direction
Could it be that I am lost in another passion play
And in my head I cant remember what was said along
the way
But thats o.k.

I'm in no hurry gonna take my time to figure out what's
on my mind
I've got my worries I've got my doubts, I don't know
what life is all about...but that's o.k.
