I'm the scatman

Ski bi di bi di do bap do  
Do bam do

Bada bwi ba ba bada bo  
Baba ba da bo  
Bwi ba ba ba do [x2]

(More Scatting)

Everybody stutters one way or the other  
So check out my message to you  
As a matter of fact  
Don't let nothing hold you back  
If the scatman can do it  
So can you  
Everybody says that the scatman stutters  
But doesn't ever stutters when he sings  
But what you don't know  
I'm gonna tell you right now  
That the stutter and the scat is the same thing  
Yo, I'm the scat man  
Where's the scat man? I'm the scat man.

Why should we be pleasing any politician heathens who  
would  
Try to change the seasons if they could  
The state of the condition  
Insults my institution  
And it only makes me crazy and my heart like wood

Everybody stutters one way or the other  
So check out my message to you  
As a matter of fact  
Don't let nothing hold you back  
If the scatman can do it, brother  
So can you, I'm the scat man.

Bada bwi ba ba bada bo  
Baba ba da bo  
Bwi ba ba ba do [x2]

Ski bi di bi di do bap do  
Do bam do [x3]

Everybody stutters one day or the other  
So check out my message to you  
As a matter of fact  
Don't let nothing hold you back  
If the scatman can do it  
So can you

I hear you ask all about the meaning of scat  
Well I'm the professor and all I can tell you  
Is while you're still sleeping  
The saints are still weeping  
'Cause things you call dead haven't yet had the chance  
to be born  
I'm the scatman

I'm the scatman

Ski bi di bi di do bap do  
Do bam do

Bada bwi ba ba bada bo  
Baba ba da bo  
Bwi ba ba ba do [x2]
