I boarded up the windows  
Of this old heart  
A long time ago  
It was fallin' to pieces  
Like a rundown house  
Love had gone and left so little hope  
But somehow you saw  
What no one else could see  
When you held me close  
And said all it really needs

Is a woman's touch  
The right woman's touch  
Yeah this old broken heart  
Was slowly crumblin' into dust  
Till you gave it a woman's touch

You took those shattered memories  
And swept them out the door  
And dusted all of her away  
Just like flowers in a vase  
In the middle of the room  
Your love brightens up the whole place  
Yeah it's hard to believe  
When I look at my life now  
The way it used to be  
Having gone so long without  
A woman's touch  
The right woman's touch  
Yeah this old broken heart  
Was slowly crumblin' into dust  
Till you gave it a woman's touch

Oh this old broken heart  
Was slowly crumblin' into dust  
Till you gave it a woman's touch  
You gave it a woman's touch

The right woman's touch  
The right woman's touch  
Woman's touch  
Yeah

This old broken heart  
Right, right woman's touch  
Woman's touch  
A Woman's touch  
A Woman's touch  
A Woman's touch  
A Woman's touch
