I got one foot on the gas  
I got one eye on the law  
I got my mind on that pretty little gal  
I passed about a mile ago  
There ain't no way you can catch me  
I got a car that can't be beat  
With a A-one, long gone, white line outlaw  
Sittin' in the driver's seat  
I'm in the driver's seat  
I'm in the driver's seat

I got one hand on the wheel  
I got one long road ahead  
I got pity on you old smoky  
Gotta try to chase down Johnny Reb  
There ain't no way you can catch me  
I got a car that can't be beat  
With a A-one, long gone, white line outlaw  
Sittin' in the driver's seat  
I'm in the driver's seat  
I'm in the driver's seat  
I'm in the driver's seat

I only know one way to live  
And that way's my way  
And you can try to tame me if you must  
But you'll just hear me flyin' down that old highway  
And all you'll see of me is a big ol' cloud of dust  
Yeah

I got one foot on the gas  
I got one eye on the law  
I got my mind on that pretty little gal  
I passed about a mile ago  
There ain't no way you can catch me  
I got a car that can't be beat  
With a A-one, long gone, white line outlaw  
Sittin' in the driver's seat  
I'm in the driver's seat

With a A-one, long gone, white line outlaw  
Sittin' in the driver's seat

I'm in the driver s seat  
I'm in the driver s seat  
I'm in the driver s seat
