John Schneider
"I've Been Around Enough To Know"

Hush, donÃ¢Â€Â™t talk now
It wonÃ¢Â€Â™t change anything anyhow
Just hold me while the shadows bring us near
I know youÃ¢Â€Â™re not in love with me
IÃ¢Â€Â™m not askinÃ¢Â€Â™ you to be
And thereÃ¢Â€Â™s no use pretending why
weÃ¢Â€Â™re here

You donÃ¢Â€Â™t need to try and fool me
You donÃ¢Â€Â™t need to lead me on
You donÃ¢Â€Â™t need to say you love me
IÃ¢Â€Â™ve been around enough to know

Wait, donÃ¢Â€Â™t tell a lie
Cause I just might believe it tonight
And I know youÃ¢Â€Â™re only tryinÃ¢Â€Â™ to ease
your mind
But donÃ¢Â€Â™t worry itÃ¢Â€Â™s all right
I donÃ¢Â€Â™t care if itÃ¢Â€Â™s wrong or itÃ¢Â€Â™s
right
Just hold me close and love me one more time

You donÃ¢Â€Â™t need to try and fool me
You donÃ¢Â€Â™t need to lead me on
You donÃ¢Â€Â™t need to say you love me
IÃ¢Â€Â™ve been around enough to know

You donÃ¢Â€Â™t need to say you love me
IÃ¢Â€Â™ve been around enough to know
