We should've taken
A little more time
All I know is your name
But we were two strangers
Alone in the night
No one's really to blame
It might've been better
If we'd chosen to wait
But a moment ago
Was a moment to late

Chorus:
Come a little too far
A little too fast
Did a little too much somehow
We got a little too deep
A little too soon
But it feels too good to stop now

We might've made it
A slow kind of thing
With candle light and with wine
It might've been nicer
And come from the heart
If we'd taken our time
But time doesn't matter
When you're needing someone
And this loneliness made us
Do what we've done

Chorus:
We come a little too far
A little too fast
Did a little too much somehow
We got a little too deep
A little too soon
But it feels too good to stop now

Repeat Chorus:
We come a little too far
A little too fast
Did a little too much somehow

We got a little too deep
Just a little too soon
But it feels too good to stop now
