You know they told me somethin' 'bout  
They're talkin' 'bout me, oh really I don't mind  
They try to stop and block my progress all of the time

Well, all the mean things you said don't make me feel  
bad  
I can't miss a friend Lord, that I never had  
I've got Jesus, Jesus and that's enough

Understand see, you're talkin' 'bout the great  
emancipator  
Oh, and a heart regulator, Jesus is, oh Jesus is  
He'll make my way brighter, my burden lighter  
Yes He will, oh yes He will

Well now, you may scorn me and turn your back on me  
I got God's arm wrapped all around me  
I got Jesus, Lord Jesus, and that's enough

[Incomprehensible] He save me and He fought me  
And He taught me all this, my Shepard, He's my God  
I can feel Him, oh fighting by my side

I got Jesus and that's enough  
I got Jesus and that's enough  
I got Jesus and that's enough  
I got Jesus and that's enough

Yeah, yeah, you can scorn me and turn your back on  
me  
God's got His arms wrapped all, all around me  
[Incomprehensible] and that's enough  
Yeah, yeah, yeah yeah, ooh ooh
