"Forever"

If every word I said to you
Could make you laugh
Ooh, I'd talk forever
I asked the sky just what we had
It showed forever
(together my love)
If the song I sing to you
Could fill your heart with joy
I'd sing forever
(together my love)

Forever, forever
I've been so happy loving you

(together my love)
Let the love I have for you live in your heart
And be forever
(together my love)

Forever, forever
I've been so happy loving you

(musical break)

If every word I said could make you laugh
I'd talk forever

Da da da da da da, da da da da da da...

Forever, forever
I've been so happy loving you
