What ever happend to predictability?
The milk man, the paper boy, evening T.V
You miss your old familiar friends, but
waiting just around the bend.

Everywhere you look (everywhere)
There's a heart (there's a heart)
A hand to hold on to.
Everywhere you look (everywhere)
There's a face of somebody who needs you.

When you're lost out there and your all alone
A light is waiting to carry you home
Everywhere you look.

Extended Version:

Ahhh Ahh Ahh Ahhh Ahhhhhahhhh

What ever happened to predictability?
The milk man, the paper boy, evening T.V.
When did I get to living here? Somebody tell me please
This whole worlds confusing me.

Clouds as mean as you ever seen.
And a bird who knows your tune.
And that little voice inside you wispering.
Kid don't sell your dreams so soon.

(Everywhere Verse)

Ahh Ahh Ahh Ahh Chity Chi botta bob
