Michelle's at home,
the cats are purring,
she doesn't know what worry is.
shes safe and warm and shes not sorry,
she doesn't know what sorry is.

Michelle's smiling,
Michelle's smiling,
Michelle's smiling.

The news is on and Michelle's laughing,
Can't make sense of what the pictures show.
She knows no fear she keeps on laughing,
If we could only know what Michelle knows

Michelle's smiling,
Michelle's smiling,
Michelle's smiling.
