It had to be you, it had to be you
I wandered around and finally found the somebody
who
Could make me be true, could make me be blue
And even be glad just to be sad thinking of you

Some others I've seen, might never be mean
Might never be cross or try to be boss
But they wouldn't do

For nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you

Some others I've seen, might never be mean
Might never be cross or try to be boss
They just would not do

For nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you

For nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you
It had to be you
