You'll never know, what you've done for me  
What your faith in me  
Has done for my soul  
You'll never know the gift you've given  
I'll carry it with me  
Through the days ahead  
I think of days before  
While you made me hope for something better  
And made me reach for something more  
(chorus)  
You taught me to run  
You taught me to fly  
Helped me to free the me inside  
Help me hear the music of my heart  
Help me hear the music of my heart

You opened my eyes  
You opened the door  
To something ive never known before  
And you're love  
Is the music of my heart  
Everywhere i go  
And everywhere ive been  
You were the one who made me better  
Than anyone ever will again.....!  
You have my heart  
My heart  
You opened the door  
Known before and you're love  
Is the music of my heart  
My heart, is the music of my heart
