You call your self a family man  
talking about your family's plans  
to bring the sweet talk deep and down  
works better than the average pickup line  
you put your woman out to pasture  
on the promises you gave her last year  
peace and love is on your head  
the grass is greener playin around  
your family seed is what you spread

Chorus x1

Buddy my friend  
yeah yeah yeah yeah  
who you think you fooling  
Buddy my friend  
yeah yeah yeah yeah  
and what about your woman  
Buddy my friend  
yeah yeah yeah yeah  
who you think you fooling  
Buddy,Buddy my friend

I don't care what you do  
but there's a hypocrite that lives in you  
cause if your woman gave her love  
in the same way that you do  
you'd feel a way ya know ya would

Chorus x1

Buddy my friend  
yeah yeah yeah yeah  
who you think you fooling  
Buddy my friend  
yeah yeah yeah yeah  
and what about your woman  
Buddy my friend  
yeah yeah yeah yeah  
who you think you fooling  
Buddy,Buddy my friend

Treat her that way  
and you'll be X'ed soon  
Buddy X 2  
Treat her that way  
you'll be X'ed soon  
Buddy X 2

It's better to be safe than sorry  
but ya gonna be sorry when it's too late  
Buddy  
Buddy  
Oh yeah Buddy  
Buuddyaaa

Notorious B.I.G.

First of all you got me mixed up with  
Somebody ya done slept with done crept with  
but its too smooth to fall but I stick and move  
stick and move I'm in the power moves the shower  
moves  
butt naked ya know ya love it when i lick it  
some honeys says I'm lovely but Nenah says I'm wicked  
look at you you ain't no betta  
walking around in ya tight sweater ya long leather  
you and ya friends always together  
no time for the B-I-G so I'm O-U-T  
the sex was great but the headaches I can't take  
I think I made a very big mistake
