When the lights go down in the California town  
People are in for the evening  
I jump into my car and I throw in my guitar  
My heart beatin' time with my breathin'  
Drivin' over Kanan, singin' to my soul  
There's people out there turnin' music into gold

Well my buddy Jim Bass he's a-workin' pumpin gas  
And he makes two fifty for an hour  
He's got rythm in his hands as he's tappin' on the cans  
Sings rock and roll in the shower  
Drivin' over Kanan, singin' to my soul  
There's people out there turnin' music into gold

Ah, the California girls are the greatest in the world  
Each one's a song in the making  
Singin' rock to me I can hear the melody  
The story is there for the takin'  
Drivin' over Kanan, singin' to my soul

There's people out there turnin' music into gold

Drivin' over Kanan, singin' to my soul  
There's people out there turnin' music into gold

When the lights go down in the California town  
People are in for the evening  
I jump into my car and I throw in my guitar  
My heart beatin' time with my breathin'  
Drivin' over Kanan, singin' to my soul  
There's people out there turnin' music into gold

Drivin' over Kanan, singin' to my soul  
There's people out there turnin' music into gold  
People out there turnin' music into gold  
People out there turnin' music into gold

People out there turnin' music into gold, into gold  
People out there turnin' music into gold, into gold
