I'm lying in my bed  
Hear the clock tickin'  
I think of you  
Caught up in circles  
Confusion, there's nothing new

Flashback, warm nights  
Almost left behind  
Suitcase of memories  
Time after

Sometimes you'll picture me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you say

And you say, "Go slow"  
I fall behind  
The second hand unwinds

If you're lost, you can look  
And you will find me  
Time after time  
If you fall, I will catch you  
I will be waiting  
Time after time

If you're lost, you can look  
And you will find me  
Time after time  
If you fall, I will catch you  
I will be waiting  
Time after time

After my picture fades  
And darkness has turned to gray  
Watching through windows  
You're wondering if I'm okay

Secret stolen  
All from deep inside  
The 808's on time

If you're lost, you can look  
And you will find me  
Time after time  
If you fall, I will catch you  
I will be waiting  
Time after time

And you say, "Go slow"  
I fall behind  
The 808's on time

If you're lost, you can look  
And you will find me  
Time after time  
If you fall, I will catch you  
I will be waiting  
Time after time

If you're lost, you can look  
And you will find me  
Time after time  
If you fall, I will catch you  
I will be waiting  
Time after time

Time after time  
Time after time  
Time after time
