I do what I do, I do what I do  
To have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)

Did you look the way you wanted to look?  
Did you feel the way you wanted to feel?  
Are you happy now, that we fantasized?

I do what I do  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)

Do I touch the way you want to be touched?  
Have you heard the words you wanted to hear?  
Is my body heat the right intensity?

I do what I do  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)

Did you look the way you wanted to look?  
Did you feel the way you wanted to feel?  
Are you happy now,  
Are you happy now?  
(I did what I did)  
Are you happy now?

(I did what I did, did what I did)  
Are you happy now?

I do what I do  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)  
I do what I do to have you (have you)  
I do it all to have you (I do I do I do)
