Is it Me  
Or have I deceived myself  
I thought I heard you call my name  
Out in the pouring rain

I really thought  
I thought I saw your face  
But after a second look  
I saw me the clearest day

Chorus  
Mother I miss you  
In night's I just wish  
You were here with me  
So we can laugh and talk again

Mother I miss you  
but i'll just kiss you  
And send it on the wind  
Cause you know  
I plan to see you again

Bridge:  
So much I wanted to show you  
So much I wanted to give  
I thought our time would be much longer  
Listen my best friend
