Verse 1

When the music fades all is stripped away an i simply
come
longing just to bring somethings thats of worth that will
bless
your heart

I'll bring you more than a song
for a song in itself is not what you have required
you search much deeper within through the way things
appear
you're looking into my heart

Chorus

I'm coming back to the heart of worship
and its all about you its all about you Jesus
I'm sorry Lord for the thing I've made it
when its all about you its all about you Jesus.

Verse 2

King of endless worth no one could express
how much you deserve
though i'm weak and poor all i have is yours
every single breath

I'll bring you more than a song
for a song in itself is not what you have required
you search much deeper within through the way things
appear
you're looking into my heart(yeah)

Chorus

I'm coming back to the heart of worship and its all
about
its all about you Jesus
I'm sorry Lord for the thing I've made it
when its all about you its all about you Jesus.

All about you
I'll bring you more than a song i'll bring you more than
a song
(more than a song)
I'll bring you more than a song i'll bring you more than
a song

You're looking into my heart into my heart
You're looking into my heart into my heart
I'll bring you more than a song i'll bring you more than
a song
I'll bring you more than a song i'll bring you more than
a song
