Over time You've healed so much in me  
And I am living proof  
That although my darkest hour had come  
Your light could still shine through

Though tough at times it's just enough to cast  
A shadow on the wall  
Well, I am grateful that You shine  
A light on me at all

Who am I  
That You would love me so gently?  
Who am I  
That You would recognize my name?

Lord, who am I  
That You would speak to me so softly?  
Conversation with the love most high  
Who am I?

Amazing grace, how sweet the sound  
That saved a wretch like me  
I once was lost but now I'm found  
Was blind but now I see

And the more I sing that sweet old song  
The more I understand  
That I do not comprehend this love  
That's coming from Your hand

Who am I  
That You would love me so gently?  
Who am I  
I that You would recognize my name?

Who am I  
That You would speak to me so softly?  
Conversation with the love most high  
Who am I?

Grace, grace, God's grace  
Grace that will pardon and cleanse within

Grace, grace, God's great grace  
Grace that is greater than all my sin

Who am I  
That You would love me so gently?  
Who am  
I that You would recognize my name?

Lord, who am I  
That You would speak to me so softly?  
Conversation with the love most high  
Who am I?

Lord, who am I?  
Who am I? Who am I?

Grace, grace, God's grace  
Grace that will pardon and cleanse within  
Grace, grace, God's grace  
Grace that is greater than all my sin
