Tell me, tell me the things that you'll allow me to say
tell me your fears so I can chase them away
tell me your dream and we will make it come true
tell me, bout you....

Whistle

I keep on whistling in the morning light
What can I do?
To make you laugh when you feel oh so sad.
Isn't it true?
You feel lonely as the days go by.
Cause he gone...
But don't you worry cause i'm here to fight.
You're not alone.

Whistle

Tell me, tell me the things that you'll allow me to say
tell me your fears so I can chase them away
tell me your dreams and we will make them come true
tell me, bout you....

Whistle

Look at the sky and see the sun above,
shining for you.
Shining for those who suffer from no love.
You know its true.
You're not that lonely cause you got a friend,
and this is for real.
So I don't want to see you cry again.
Is that a deal?

Tell me, tell me the things that you'll allow me to say
tell me your fears so I can chase them away
tell me your dreams and we will make them come true
tell me, bout you....

Whistle

Tell me, tell me the things that you'll allow me to say
tell me your fears so I can chase them away

tell me your dream and we will make it come true X3
tell me, bout you....
