I just can't get enough of you, baby
There just aint enough of you to go around
And just when Im needing you, baby
You aint nowhere to be found
Baby, it's getting me down, because Im...
All strung out on you, baby
All strung out on you, baby
All strung out on you, baby
Oh, baby-baby, why can't you love me
Baby-baby be thinkin of me
Baby-baby Im all strung out on you
It hurts when you needle me, baby
But I'd rather have the pain then lose your love
I know you're no good for me, baby
But I'll keep trippin around
Trackin you all over town, because Im...
I love you
Just the way you are
Like a little fallen star
Im gonna catch you someday
(Gonna catch you someday)
And you'll never get away
(Never get away), because Im...
Im all strung out on you, baby
All strung out on you, baby
All strung out on you, baby
All strung out on you, baby
(Baby, Im all strung out)
(All strung out)
(All strung out)
(All strung out)
