I spend my days just mooning
So sad and blue, so sad and blue
I spend my nights just mooning
All over you, all over who?

Oh, I'm so full of love as any fool can see
'Cause angels up above have hung a moon on me

Why must you go? Why must I go?
On mooning, so all alone, so all alone
There would be no, there would be no
More mooning if you would call me up on the phone

While, I lie myself in bed, I'm crying in myself
The red eye mooning over you

I'll stand behind, stand behind
You mooning forevermore, forevermore
Someday you'll find, someday you'll find
Me mooning at your front door, at my front door

Oh, everyday at school I watch ya
Always will until I got ya mooning too
There's a moon up tonight
