I solve my problems and I see the light  
We got a lovin' thing, we gotta feed it right  
There ain't no danger, we can go too far  
We start believin' now that we can be what we are

Grease is the word

They think our love is just a growin' pain  
Why don't they understand, it's just a cryin' shame  
Their lips are lyin' only real is real  
We stop the fight right now, we got to be what feel

Grease is the word

Grease is the word, is the word that you heard  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feelin'

We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believin' now but we can be who we are

Grease is the word

Grease is the word, is the word that you heard  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Now grease is the way we are feelin'

This is the life of illusion  
Wrapped up in trouble, laced with confusion  
What are we doing here?

We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are

Grease is the word

Grease is the word, is the word that you heard  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Now grease is the way we are feelin'

Grease is the word, is the word that you heard  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Now grease is the way we are feelin'

Grease is the word  
Is the word, is the word  
Is the word, is the word  
Is the word, is the word  
Is the word, is the word  
Is the word, is the word  
Is the word, is the word
