(John Tucker)

[Verse]

Now Let Me Take You Back To When I Had A Shorty  
That,  
Didn't Care About The Money She Was Just My Better  
Half,  
My Favorite Comedian, always made me laugh,  
the reason why i left I'm puzzled about the fact,  
she had trust issues. but i cant kiss no women how i  
kiss you,  
and i cant find the perfect one she is you,  
she says i cant forgive you,  
cuz i would find it hard to just re live you and go  
through all of the issues and the tissues,  
she cried but..  
she cracked a smile at the same time,  
and my heart beats kinda like the bass line,  
she heard a shorty's voice coming through the phone  
line,  
then she ran away.. now i know its race time!  
runs to the elevator, now i cant elevate,  
swept me off my feet but right now i cant levitate,  
yeah we all make mistakes but she wont let me off wit  
that..  
she's the only one i need i'm not forgetting that

(Oscar Fernandez)

[Chorus]

And I Can Give You Any-Thing, But.....  
(Shes The Only One For Me)  
And I Can Take You Anywhere, But....  
(Shes The Only One I Need)  
And I Can Take You Any-Where But BayBeeee..  
(Shes The Only For I Need)  
And I Can Take You Anywhere, But....  
(Shes The Only One I Need)

(John Tucker)

[Talking]

"You Know I Thought This Would Be Easy Bro.."

"But Its The Hardest Part!! The Hardest Part I Tell Ya"

"The Hardest Part!!!"

(John Tucker)

[Verse]

I Had Another Shorty Monday,  
Then Another Tuesday.  
Slept With One Wednesday,  
Then Another Thursday,  
Saw My Love Friday, Then She Left Sunday,  
It Aint Working Now But We Can Be Together Someday,  
Lookin For Another, But They To Hard To Trust,  
- But Me And Her Would Talk About It There Cant Be  
Another Us!  
I Guess Im In A Rush You Cant Speed In A Slow Truck,  
My Hearts A Baby But Its In A Rush To Grow Up,  
Love Is Like The Streets Just Hold Your Own And Stay  
Tough,  
But Who Could Cook For Me And Watch Me Get A Shape  
Up,  
And Every time I Mess Up, Who Gone Make Me Shape?  
But Why We Gotta Break Up? Mario Can Save Us,  
We Used To Make The World Jealous Now Whos Gonna  
Hate  
Us?  
Nobody! You're The Only One I Want Prolly,  
Thats Why Your Heart Got Me.. Huh!?  
Mind And Your Soul Robbed Me,  
Death Can Threaten Me But Wont Stop Me, Uh!

(John Tucker)

[Talking]

I Think They Thought We Was Finished.  
-Laughs-  
Get Em O!

(Oscar Fernandez)

[Chorus]

And I Can Give You Any-Thing, But.....  
(Shes The Only One For Me)

And I Can Take You Anywhere, But....  
(Shes The Only One I Need)  
And I Can Take You Any-Where But BayBeeee..  
(Shes The Only For I Need)  
And I Can Take You Anywhere, But....  
(Shes The Only One I Need)

[Bridge]
