(Ryan Adams)

It's time
It's time
Time to give up
Time to go home
No one is noticing you
No one is noticing you
No one is noticing you
At the idiot dance, oh
At the idiot dance, oh

You
Yeah, you
You sat on the bench
And watched 'em all dance
There was no one for you
There was no one for you
There was no one for you
At the idiot dance, oh
At the idiot dance, oh

Come here
I'm watching you sing
Invisible, oh but you know how it goes
Invisible boys in old ragged clothes
Invisible girls who nobody knows
I can't watch you go

Some of them kiss
Some of them stare
Some of them go
Dancing on air
There was no one for you
There was no one for you
There was no one for you
At the idiot dance, oh
At the idiot dance, oh

Come here
I'm watching you sink

Invisible, oh but you know how it goes
Invisible boys in old tattered clothes
Invisible girls who nobody knows
I can't watch you go
