Well you and me baby  
got it goin' good  
We love each other  
knock on wood

But on Sunday  
me and the boys  
wanna watch some football  
and make some noise

Every other day  
I take care of you  
But on Sunday this is  
what I want you to do

Make me a couple of sandwiches  
Pour me a fresh beer  
Kiss my balls for luck and  
get the fuck right outta here

And don't come back  
until the games are done  
Either get into it or get out  
but don't fuck with my fun

On Monday I'll do the shopping  
Tuesday I'll barbeque  
Wednesday I'll kiss your ass  
or whatever you want me to do

I'll watch Survivor  
I'll take out the trash  
I'll even be nice to your mother  
and cut the grass

Every other day  
I take care of you  
But on Sunday this is  
what I want you to do

Go to a fuckin' flea market  
Take a walk in the park

Call up your best girlfriends  
and howl at the moon in the dark

But don't bother me  
until the games are done  
Either get into it or get out  
but don't fuck with my fun

I said Sunday is mine, babe  
So don't fuck with my fun  
(I'm talkin' pre-season too)  
I said Sunday is mine, babe  
So don't fuck with my fun
